The comparison of the uses of the concept of community in  
those three countries shows how a transnational dialogue can  
lead to more theoretically aware use of the concept of  
'community'. Braucht das Ruhrgebiet eine andere Geschichte des  
Strukturwandels?

Thirdly, and as a consequence, he suggested that the intensification of poli

opening of the age of modern democracy, when national questions did not yet have the political significance that they have today, for this reason alone there could be no question of national oppression.

Access to the German university was severely restricted by a series of competition laws. This, he reminds us that he was writing more than sixty years ago, before the subsequent accumulation of sobering experience with democratic government.
