More consequential have been the prestige of author and publisher, and the influence of wide current use. The idea is to include activities that provide optimal exposure, attention, output and feedback, thereby maximising the chance of language emergence. You will notice that each product page on the Web site includes an estimated delivery date range for Saver Delivery, as well as for Express Delivery if it is available for that product.

Teachers are invited to become critical users of course books and active eagers. Indeed, most users seem to accept that what they choose will in many ways be a compromise and that they will have to adapt the materials to their situation. Editor cited by Richards, McElroy, 5. To raise awareness among institutional managers of the kinds of support that teachers need if they are to fulfil their responsibilities and continue to develop as professionals.
