Furthermore, I neither need nor want friends like you. Justin Nigh says: I mean, I definitely care a lot. I don't want such things to happen that is the reason why I contacted you and requested. The responses to this article have been...interesting. The global economy would surge, as energy-consuming countries right their balance of payments thanks to lower energy prices across the board. Ideally would be something that I can maintain for a few hours a week on top of a full-time job. Sam, I totally hear what you are saying but you are kind of off base.
