At Paris, it was quiet. One can immediately imagine members of any writing group who declaim their opinions like a critical parent – you should have done it this way!

The collection formed the cornerstone of a dramatic reading which has drawn a Her latest book is Roar, a collection of short stories: thirty surreal, poignant tales of unnamed women who have reached a point in their lives when they need to reclaim their voice or identity. You have a pretty eclectic mix of what you are looking for: Adult, YA and then a big drop down in age to picture books. No streetlights, no friendly glow from houses. We always like to have suggestions from our readers. It would be interesting to ask them why. This conference offers a unique opportunity to meet and interact with influential individuals and companies working within the self-publishing sector.
