But at night over drinks, we still discuss what two guys
usually discuss: women. We have inherited all of .

We could both return home then next morning with smiles on our faces.
Thurer, S. Derrida, J.

October 6, Do your partners have other partners themselves? Going
simply by the name Hayden he recorded his self-released
cassette, In September in and much of the material included
evolved into his first proper LP, 's Everything I Long For.
When insecure, jealous, and angry thinking are recognized as
being effectively disinformation when contrasted to what makes
sense while feeling a deep connection and love it really stops
making sense trying to reason with it, argue with it or really
take it literally at any point.
