Access to archival material was readily available even for the most recent periods as well as for sensitive dossiers. Metis historical territoriality can only be partially made visible by official maps, and map analysis needs to be complemented by other investigations of the changing spatial-temporal context within which the Metis lived and understood themselves. Effectivement, le fait francophone dessine sur la carte un espace liminaire qui s'affirme comme le passage ou le lieu

commun oblige entre ces deux spheres dominantes, ce que
l'ascension du francais au rang de lingua franca de la traite
des fourrures vient confirmer dans les faits.
