I don't recall all details, but seem to remember the actress's mother in the past interfering in her life and manipulates people and events until she ultimately and accidentally kills her daughter A strange and unfamiliar feeling rand through me. We also get large spiders and very occasionally we find scorpions. I read this book back in the 70's, so it is rather old. Monica Brown and Joe Cepeda bring the story of Dolores and Cesar to life through this vibrant bilingual book, which will make an excellent addition to units on migrant farmworkers, civil rights, or women's history. The premise of the book is related to time travel and the only I can remember is a young boy looking for a cow that wandered off into the woods and came back close to death due to expedient aging only a few mins went by in the boys time.

Pinpoint the problem a struggling reader is having and learn how to help. Phob is a fantastic choice for introducing children to scary stories. Instead, he quickly takes control of the situation.
