They give the feeling of despair, they make the reader empathize with the darkness and emotional turmoil of the narrator. She knows that, not The Yellow Wallpaper she was ever normal before, but something has shifted, an awareness of self that is tuned to a different frequency. She had far too much excitement, locked in the house all day with that extremely entertaining wallpaper.

Her dotting, suffocating husband. It is not hard to see criticism of the treatment of women in the male-dominated society of 19th century America in the tale. This is used to collect data on traffic to articles and other pages on our site.

Indemanding a traditional wife, Walter denied Charlotte personal freedom, results. All of the furniture in the room had to be brought in from elsewhere in the house.
