When Charles visited Newcastle in May, on his march northward against the Scots, he was magnificently entertained by the Mayor and magistrates. Covering 1644 routes south to prevent Montrose from threatening Edinburgh, Baillie sent his second-in-command Major-General Hurry into the north-east with two regiments of foot and a cavalry detachment to ravage the lands of the Royalist Gordons.

As a fire-fight developed in the centre, the second line of Royalist infantry

Add The Great Siege of Newcastle Cart. Leven was not above reasonable persuasion and in a conflict in which all forces -in the early stages anyway- claimed they were fighting for the King or his best interests in one way or another, the use of propaganda pamphlets flung over the walls signed by "A well wisher" seems more ironic today than. This requires you to provide the URL for each allegedly infringing result, document or item.

HBurne. These updates are completed for MIT sequesters. Battle of Bosworth.
