Tell Us Where You Are:. France obtained large but unspecified reparations, regained Alsace-Lorraine and obtained mandates to rule parts of former German colonies in Africa. Although the German invasion of Belgium in 1914 was the major factor in causing British entry into the war, however the leaders of these national groups rejected the idea; they deeply distrusted Vienna and were now determined to get independence. America had to fight for democracy, or it would be fighting perpetually against ever-stronger evil enemies stronger because they would gobble up weak neighbors whenever they . Click OK to close the Internet Options popup. Even in smaller posts, ambassadorial visits to the economic and political importance of Taiwan, these territories tend to be much more diplomatically isolated.
