External constraints—making them color within the lines, A: Nurturing Children's Creative Development to speak—can reduce flexibility in thinking. Make a show of doing this, half of the importance of circling back is how it can imbue children curiosity with value by demonstrating care or shared curiosity. Her active participation in the development of the Preschool curriculum, teaching aids, Yali Mascot stories, collection of rhymes and stories, teacher training modules through the Excellent Teacher Programme ETP as well as Building Based Learning has helped the Kalorex Preschools create an environment conducive to learning.
