It's right in front of me if I'm paying attention and practicing gratitude. You think you understand two, because one and one make two.

If you pay attention throughout the movies and plays, Madea's dress has faded. I've seen some people complaining about the shorter chapter length, but honestly that's what made the book move along quickly for me. Lottery winners Alvirah and Willy are on board as well as guest lecturers on gemology and Shakespeare. I indulged in the victimhood mentality.

Nasrudin took out a mirror and peered into it. So they need. What if you don't like a lot of other people, because you find them judgmental and rude to people who aren't as fortunate?
