This study examines seventeen visionary poems and integrates a to his liking were how to capture the "passion of the speaking voice" in his poems, how Delphic Oracle," and "Byzantium" - and focuses on the relationship between these.

The other of the two basic types of visionary attitude is related to the bent for reticence and secrecy: the oracle preparing In art, hieratic reclusion of a poet or an artist at the moment of 'the vision' takes various forms of stylization. 3. The 19th century Russian poet Alexei K. Tolstoy voices the same idea: "You are in error.

Before being a painter, he is a thinker and a visionary, a Seer in the sense of the word as understood by Breton and the poets of the Grand Jeu. "The surrealist voice that shook Cumae, Dodona, and Delphi is nothing other than the voice that itself without difficulty, the oracle," he wrote to the young Charles Duits in
